BA patriot statue due Monday dedication

By Rod Walton
World Staff Writer

BROKEN ARROW — Dreams honoring the past, present and future will be brought to life at 10 a.m. Monday when the "American Patriot" statue is dedicated in the city's Veterans Park.

First of all, there's the lifelike, bronze rendering of local hero Maj. Hank Miesner, a Vietnam War veteran who died two years ago.

Sculptor David Nunneley said he spared no details in paying homage to Miesner and his type.

"It was made in his likeness, but it's made in honor of all Broken Arrow veterans from all wars," Nunneley said.

In the present sense, Monday's dedication is another honor for Nunneley, a local sculptor who made art his life's passion only after selling his gas-compressor business 10 years ago.

Nunneley's patriotic works have been displayed at West Point and in front of the local Boy Scouts headquarters.

"I really have been lucky," he said.

For city leaders, the event kicks off the big plans they have for the 2-acre Veterans Park. The Miesner sculpture gives the park another centerpiece.

Plans call for landscaping, new walkways and a Main Street entryway to be built into Veterans Park over the next year.

In addition, the local Veterans of Foreign Wars post is raising money for another memorial honoring women's wartime service.

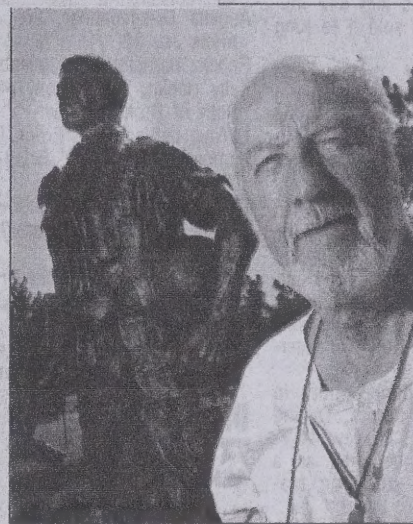

"It'll really open the park up," Parks and Recreation Department Director Scott Esmond said.

Nunneley was tapped to do the Miesner sculpture not long after the war hero died in 2003.

He spent hours poring over photographs, wartime details and talking to Miesner's family.

The soldier's story was exceptional because of his repeated returns to service.

Having already spent time in the Marines and Army, Miesner was

Miesner was decorated with the Silver Star, four Bronze Stars and numerous other battlefield honors. He is buried in Arlington National Cemetery near Washington, D.C.

The Miesner statue will not be alone at Veterans Park.

It will join a decade-old, bronze tribute to World War II hero Lt. Col. Ernest Childers, a city resident who died earlier this year.

"We have a Medal of Honor winner over there," said Barrett, pointing to the once-solitary Childers statue. "Hank's in good company."

MRS. SENNIE J. NUNNELEY

Mrs. Sennie Jane Nunneley, 84, of 3236 E. Fifth Place, mother of two Tulsans, died today in a Tulsa hospital.

Mrs. Nunneley was born in Berryville, Ark., and had lived here 64 years.

Surviving are five sons, A. H. of 6532 W. First St., W. R. of 1025 E. 39th St., C. H. of 5918 E. Third St., E. R. of Odessa, Tex., and H. L. of Midland, Tex.; two daughters, Mrs. Iva Duck of Sand Springs, and Miss Goldie Nunneley of the home; a brother; 17 grandchildren, 31 great grandchildren and four great-great-grandchildren.

Services will be held at 2 p.m. Monday in the General Baptist Church at Keystone. Burial will be in the Sennett Cemetery at Keystone under direction of the Mobley Funeral Home, Sand Springs.

You are not forgotten loved one
Nor will you ever be
As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore
As time goes by, we miss you more,
Your loving smile, your gentle face
No one can fill your vacant place.

Died Saturday, May 16, 1964

AMERICAN LAMINATING CO., ALBANY, N. Y.

Blessed are they that mourn,
for they shall be comforted.

The Lord is my shepherd;
I shall not want. He
maketh me to lie down
in green pastures: he leadeth
me beside the still waters.
He restoreth my soul: he
leadeth me in the paths of
righteousness for his name's
sake. Yea, though I walk
through the valley of the
shadow of death, I will fear
no evil: for thou art with me;
thy rod and thy staff they
comfort me. Thou preparest
a table before me in the pre-
sence of mine enemies: thou
anointest my head with oil;
my cup runneth over. Surely
goodness and mercy shall
follow me all the days of my
life: and I will dwell in the
house of the Lord for ever.

This cause coming on to be heard before the undersigned Judge of the District Court in and for Tulsa County, State of Oklahoma, on this 31st day of May, 1949, a regular court day of the January, 1949, term of said court, upon the petition of plaintiff herein and the answer of H. D. Moreland, Jr., Guardian ad Litem for Ola Grace Nunneley, an incompetent person, the court finds that this cause was filed on the 19th day of March, 1949, and that summons was directed to the Sheriff of Craig County, Oklahoma, for service upon the defendant, Ola Grace Nunneley, Eastern State Hospital, Vinita, Oklahoma, in care of Felix M. Adams, Superintendent, Eastern State Hospital, Vinita, Oklahoma, and that service of said summons was duly made upon the said defendant as shown by the return of the Sheriff of Craig County, Oklahoma, and the court further finds that summons was duly issued in this cause on the 21st day of March, 1949, directed to Dr. Felix M. Adams, Superintendent, Eastern State Hospital, Vinita, Oklahoma, for Ola Grace Nunneley, and that service of said summons was duly and properly made upon Dr. Felix M. Adams, Superintendent, Eastern State Hospital, Vinita, Oklahoma, for Ola Grace Nunneley, as shown and reflected by the return on file herein. The court further finds that the time fixed and provided in said summons within which answer was to be made has expired, and further finds that, pursuant to an order entered herein on the 19th day of March, 1949, Felix M. Adams, M.D., Superintendent of the Eastern State Hospital, Vinita, Oklahoma, P. L. Hayes, M.D., and E. E. Lehmer, M.D., were duly appointed and designated to examine the defendant Ola Grace Nunneley, and that said physicians were ordered to report to this court after thoroughly examining said defendant, relative to the condition of said defendant, and in particular whether she is incurable of her mental illness. The court further finds that pursuant to an order entered herein on the 19th day of March, 1949, H. D. Moreland, Jr., was appointed Guardian ad Litem to appear for and represent the defendant Ola Grace Nunneley in these proceedings, and that H. D. Moreland, Jr., Guardian ad Litem for the defendant herein, duly filed his answer herein as such Guardian ad Litem. The court further finds that this said cause has been duly set and assigned for trial more than ten days prior to the date hereof, and that notice of said setting has been duly shown in the Tulsa Daily Legal News, Tulsa, Oklahoma, more than ten days prior to the date hereof.

The plaintiff appeared in person and by his attorney, F. A. Bodovitz, and H. D. Moreland, Jr., Guardian ad Litem for Ola Grace Nunneley appeared in person, and all parties having announced ready for the trial,

DISTRICT COURT
STATE OF OKLAHOMA, TULSA COUNTY

SAMUEL W. FRY, Court Clerk

the court proceeded to hear the oral testimony of witnesses sworn and examined in open court, and being fully advised in the premises and on consideration thereof, finds that all material facts alleged in plaintiff's petition are true. That plaintiff at the time of filing his petition was and had been an actual resident in good faith of the state of Oklahoma for more than one year next preceding the filing of said petition, and was at the time of filing the petition a resident of Tulsa County within said State of Oklahoma, and that the parties in this action had been married on the 5th day of January, 1929, at Tulsa, Oklahoma.

The court further finds that the defendant has been insane for a period greatly in excess of five years prior to the filing of the petition herein, and has been and now is an inmate of the Eastern State Hospital, Vinita, Oklahoma, a state institution for the insane in the state of Oklahoma, and further finds, as shown and reflected by the report of the Superintendent of the Eastern State Hospital of Oklahoma, to-wit, Felix M. Adams, M.D., and P. L. Hayes, M.D., and E. E. Lehmer, M.D., three physicians engaged in the practice of their profession in the state of Oklahoma, who examined the said defendant, that said defendant is an insane person and incurable of her said illness and affliction. The court further finds that one of the physicians appointed and designated to examine the said defendant and to report relative to the incurability of her said disease and condition is the Superintendent of the hospital for the insane in which the defendant is confined, and further finds that all three of the physicians so designated and appointed to examine the said defendant, have agreed that the defendant is an insane person and is incurable, all as shown and reflected by their report on file herein. The court further finds that the defendant was adjudged insane by the County Court of Tulsa County, Oklahoma, on the 2nd day of December, 1937, and was committed to the Eastern State Hospital of Oklahoma, Vinita, Oklahoma, concurrently with said adjudication and the said defendant has been so confined since her said commitment. The court further finds that the defendant has been insane for a period in excess of five years, and is incurable, and that the plaintiff is entitled to a decree of divorce as provided in Title 12, Section 1271 Oklahoma Statutes Annotated, and further finds that the plaintiff is without fault and that by reason of the insanity of the defendant plaintiff is entitled to a decree of divorce as prayed for.

The court further finds that three children have been born of said marriage, to-wit, James Kenneth Nunneley; Richard D. Nunneley; and Jerry Nunneley; that none of said children has as yet attained his majority, and that they are in the care and custody of the plaintiff; and further finds that the plaintiff is a suitable and proper person to retain the custody and care of said minor children.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THIS COURT that the marriage relation heretofore existing between Virgil W. Nunneley and Ola Grace Nunneley be and the same is hereby dissolved, and both parties are released from the same.

IT IS FURTHER ORDERED that the care, custody and education of the children of the parties hereto, to-wit, James Kenneth Nunneley, Richard D. Nunneley, and Jerry Nunneley, be confided to the plaintiff.

IT IS FURTHER ORDERED BY THE COURT that the Guardian ad Litem, H. D. Moreland, Jr., be and he is hereby awarded the sum of Twenty-five (\$25.00) Dollars, as his fee and compensation, and that the plaintiff be required to pay the same, and it is ordered that the said sum of \$25.00

The court further finds that the defendant has been insane for a period greatly in excess of five years prior to the filing of the petition herein, and has been and now is an inmate of the Eastern State Hospital, Tulsa, Oklahoma, a state institution for the insane in the State of Oklahoma, and further finds, as shown and reflected by the report of the Independent of the Eastern State Hospital of Oklahoma, to-wit: Felix M. Adams, M.D., and F. L. Hayes, M.D., and J. E. Johnson, M.D., three physicians employed in the institution of their profession in the State of Oklahoma, who, based on their said defendant, that said defendant is an insane person and is incapable of either said illness and affliction. The court further finds that the physicians appointed and designated to examine the said defendant, and to report relative to the insolvency of her said defendant, have complied with the requirements of the hospital for the insane in Tulsa, Oklahoma, and further finds that all three of the said physicians designated and appointed to examine the said defendant, all have signed and verified their report on this petition. The court further finds that the defendant was adjudged insane by the County Court of Tulsa County, Oklahoma, on the 11th day of December, 1927, and was committed to the Eastern State Hospital of Oklahoma, Tulsa, Oklahoma, subsequently with said commitment and the said defendant has been so confined since her said commitment. The court further finds that the defendant has been insane for a period in excess of five years, and is incapable, and that the plaintiff is entitled to a decree of divorce as provided in Title 12, Section 1271 Oklahoma Statutes Annotated, and further finds that the plaintiff is without fault and that by reason of the insolvency of the defendant plaintiff is entitled to a decree of divorce as prayed for.

*The Lord is my shepherd, I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake . . .
Yea, though I walk through the valley of
the shadow of death, I will fear no evil:
for thou art with me; thy rod and thy staff
they comfort me. Thou preparest a table
before me in the presence of mine enemies:
thou anointest my head with oil; my cup
runneth over . . . Surely goodness and
mercy shall follow me all the days
of my life: and I will dwell in the
house of the Lord for ever . . .*

North Drumright Cemetery and Oakhill Cemetery appear as one cemetery, but are actually two separate cemeteries.

Drumright Cemetery (North) is located on North Skinner Street (also called Cemetery Road) is owned by the City of Drumright and is located in the western half of the cemetery.

Oakhill Cemetery is privately owned by Robin Brown, Drumright, OK and is located in the eastern half of the cemetery on North Skinner Street (also called Cemetery Road).

South Drumright Cemetery is a much smaller cemetery located south of Drumright on the "Old Shamrock Road". This is the cemetery with the Oil Well in the middle of it.

DURING THE WAR — the big war that is, WWII—I remember when one of the naval heroes who had sunk a German submarine was asked to speak at a huge banquet given in his honor; his speech consisted of 12 words: "Most of the time I talk too much; tonight I am speechless."

I told Muffie last night I should paraphrase that for myself tonight by

Capt. James Nunneley

saying: "Most of the time I am speechless; tonight I'll probably talk too much."

When I arrived out here 3 years ago, I vividly remember a discussion with Frank Manganaro, my predecessor, about what an important person I would be when I became shipyard commander. He cautioned me that it would be a real ego trip, and I would need to keep my feet firmly planted on the ground. I remember that he said you'll be right up there with the mayor, the county commissioners, the judges, and the Navy League and Chamber of Commerce officials. I guess old Frank was a lot smarter than I thought, because here I am tonight hobnobbing with those very same VIPs at the head table.

It really would be easy for a shipyard commander to get carried away with the program in such a heady situation as he has at PSNS, but fortunately there are people around the shipyard that manage to keep the boss's feet squarely on the ground. Let me give you an example of what I mean.

I made arrangements with Bob Steele, Commanding Officer of the Fox, on Friday to meet him on board late in the day so we could inspect the machinery spaces together and decide about their readiness for a light-off examination. I rushed up the gangway as the boat gongs sounded four times, followed by the announcement, "Puget Sound Naval Shipyard, arriving."

We immediately hurried down the passageway when we spotted two yard workers coming toward us. Having just heard the announcement of my arrival, one said, "Who is the captain of the yard now, anyway?" The other one didn't hesitate, and shot back, "Damn if I know."

I had to admit to myself that that really put it all in proper perspective. I suspect he could have named all the Sonics, plus the trainer and water boy, but he sure didn't know who I was. So, tonight, when you get home, if someone asks who you've been honoring, say anything but "Damn if I know."

Or there was the time I was stopped by one of the shipyard's gate guards who said he wanted to inspect my car. I was rushing out to something important . . . so I said "I'm Captain Nunneley, the shipyard commander, I'm in a hurry" — could you pass up the inspection?"

"Yeah, Buddy," he said, "and I'm Governor Dixy Lee Ray. Now open your trunk for inspection."

Like I said, a shipyard commander needs that occasionally . . .

ONE OF THE things shipyard commanders ought to do well is make fitting remarks at farewell parties, because we are frequently called upon at such affairs. The trouble is that I now find it is so much more difficult to speak as a departee than it is a stayee. Jim Webb had one of the best lines last year at John Longmate's retirement when he said, "How do you say goodbye to Mount Rainier?" He said it in jest, but now I have to be serious about the question. "How do we say goodbye to Mount

Rainier, to Puget Sound, to Sinclair Inlet, to Quarters "C", to our many friends here? That's a question without a satisfactory answer when you've fallen in love with the Pacific Northwest as we have. Some of you have told us, "The rain drove me crazy for the first two years", or "I cried for the sun for months and months before I got used to living without it." Well we had a much easier adjustment, it seemed like home from the beginning and that was largely because you made it that way for us. Nowhere in these United States is a Navy family made to feel as welcome as it is right here in Bremerton.

What I know now is that the warmth, the hospitality, the friendliness is no accident. It doesn't just happen. People work at it. Many of the people that make this the best Navy duty station in the country are here tonight. . . .

That same strong community support and commitment is a mainstay of strength to Puget Sound Naval Shipyard, and to all the other commands in the area. I've asked myself what makes the shipyard the great place it is to work? I believe in the final analysis it comes down to pride, a deep pride within the people who work there and in the communities, that PSNS is the best shipyard in the country, bar none, public or private. The community's pride in its shipyard reinforces the pride of the people who work there. It's rather like that saying, "Attitudes are contagious, is yours worth catching?" Pride is contagious also, so I urge you to continue to let your neighbors who work in the shipyard know that you're proud of what they are doing, because they are doing an important job which is vital to our Navy and to our nation.

One of the characteristics we Americans appear to have lost as a people is our pride. We have gone through a period when it wasn't "popular" to be proud — of yourself, of your work, of your family, of your ship, of your country. Sounds unbelievable doesn't it? It is unbelievable this country grew, and prospered and became the most powerful nation in the world because its people were proud, determined and worked harder than anyone else.

We need to ask ourselves, is that true today? If not, what needs to be done to turn it around and restore those virtues which transformed the wilderness that the early settlers found into the most modern nation on earth in less than 200 years. You can do your part right here in Kitsap County where those virtues are still more alive than in any other part of the country by nurturing them in your young people — by recognizing excellence, by encouraging people to be successful and by stimulating in every possible way pride in doing a job well, no matter what that job happens to be.

This has been a rewarding, fulfilling experience for me, professionally and personally. It's the best job the Navy could have given me, no matter what lies ahead. Of course, I was pleased and honored to have been selected for flag rank, but that was the frosting on the cake. The real prize was to command the shipyard in the first place and to have the opportunity to live in this wonderful part of the country and to get to know so many great people.

Thank you for all the many kindnesses you have extended to Muffie and me during our time with you, and particularly for the memory of this very special evening. I'm not wise enough to know what the future holds for us, but I keep remembering what an old shipyard worker told me some time ago at one of the retirement ceremonies — "Once you've lived here, you'll never be satisfied living anywhere else." You know we have some very wise people over there in our shipyard.

Thank you for everything — for tonight, for other nights, for three wonderful years in God's country.

Why

NEW YORK — Noting my recent adventure in the musical theater, a Poughkeepsie woman writes to ask, "Why didn't Shakespeare ever write a musical, since that's where the big theater bucks seem to lie? Wouldn't 'Hamlet' have run almost as long as 'Grease' if it had been done as a musical?"

The fact is that Shakespeare did consider doing "Hamlet" as a musical, but decided against it after three minutes of reflection. Some of his considerations were as follows:

1. Everybody would tell him that "Hamlet" was a terrible title for a musical, and the producers would reinforce the argument with a market survey showing that seven out of 10 people would rather see a show with the word "happy" in the title. The publicity agent would warn him that if he persisted in calling it "Hamlet," Broadway wise guys would laugh him out of existence by knocking it in the gossip

One of the chief Americans appealing to people is our pride through a period "popular" to be proud of your work, of your ship, of your country. It is believable doesn't it? This country is able to become the most proud, determined in the world better than anyone else.

CAPTAIN JAMES AND MRS. KATHRYN NUNNELEY

Nunneley's Farewell

Capt. James K. Nunneley, outgoing commander of Puget Sound Naval Shipyard, got a Bremerton sendoff Tuesday evening from some 300 persons at a dinner sponsored by the Bremerton Area Chamber of Commerce. Nunneley will be promoted to rear admiral and relieve Rear Adm. Cabell S. Davis Jr. on July 1 as deputy commander for industrial and facility management for the Naval Sea Systems Command in Washington, D.C. In his new position, Nunneley will supervise all Navy shipyards, shipbuilding and industrial facilities. Nunneley will be relieved by Capt. John H. Boyd Jr., currently planning officer at Norfolk Naval Shipyard in Portsmouth, Va., in a change-of-command ceremony on June 16.

Retired Rear Adm. William F. "Pete" Petrovic, former PSNS commanding officer, and his wife Trudy (right), with Chet McRorie, of New York Life Insurance Co., and his wife, Marty, a Bremerton High School teacher. McRorie was a classmate of Nunneley's in the class of 1952 at the U.S. Naval Academy at Annapolis.

SACRAMENTO, Calif. (UPI) — Gov. Edmund G. Brown Jr., an unannounced candidate in the presidential sweepstakes, may have to restrain his politicking to California for several weeks.

That's how long it could take the California Supreme Court to resolve Brown's power struggle with a lieutenant governor who appoints judges and issues executive orders once the governor's eastbound jet crosses the Sierra.

The legal question is how much of the governor's power is assumed by Republican Mike Curb, a recording tycoon and a protege of former Gov. Ronald Reagan, when the Democratic chief executive is out of state.

Brown asked the state Supreme Court to rule that he still retains authority when absent, arguing against what he calls

"horse and buggy rules that would strip the elected governor of power when he's only a phone call away."

He says a provision of the state constitution giving the lieutenant governor power when he is "absent from the state" really refers to an effective absence, not a literal one.

Gray Davis, Brown's chief of staff, said Tuesday it might take six weeks to two months for the court to rule on the issue.

"But that's just a guess," he said.

"He is unlikely to leave the state until the question is settled, but we don't see this as some kind of ball and chain around us."

Davis said Brown doesn't intend to give Curb a chance to fill a vacancy on the Los Angeles County Board of

Supervisors or to call a special election for a constitutional amendment aimed at limited court-ordered busing for racial integration of schools.

"The governor was elected to make those decisions and he doesn't want to forfeit those decisions to anyone else," he said.

Brown said he had no specific travel plans and would leave California only for pressing issues. He once again will pass up the Western Governors' Conference, which starts next week in Sun Valley, Idaho.

"There's a great deal of pressing business here in California," Davis said, noting the Legislature is nearing completion of work on the budget.

Mayor Nunneley resigns seat at council meeting

Former Mayor will now serve as Part-time Town Administrator

The Granite City Council met in regular session Monday evening at 6:00 p.m.. After a lengthy discussion on Granite Public Housing, councilman voted unanimously to appoint Junior Gilbreath to the Granite Housing Authority board as it requires one member be a tenant.

Council members went in to a lengthy executive session for the purpose of hiring a part time town administrator. After interviewing Richard Smith, Mangum and Dale Clayton, also of Mangum, and Mike Nunneley, Granite. Councilman voted unanimously to hire Mike Nunneley for \$1,000 a

month beginning on May 15. Council Johnny Murray reported that Nunneley was a local resident and qualified.

Prior to the vote of town administrator, Mayor Mike Nunneley turned in his resignation as a trustee and the Mayor of Granite. Mike Nunneley also did not sit in on the executive session and abstained from voting. A new trustee will be appointed next month to the town council along with the Mayor appointed by board members.

Councilman Gearld Gates reported to everyone that this new position in no way will put Gene

Hahn out of a job.

Only one bid on the Kiowa County Farm was turned in. James H. Scott said, "my bid was \$500 over the next bid, not to exceed \$5,000." City attorney Charles Horton said, "this is not a valid bid and the city would have to re-advertise and rebid the agenda item." Councilman also said that since it had to be rebid, they will take off all restrictions dealing with no fertilizer being permitted. Councilman said that they were not sure why the restriction was put on the land in the past, but would not matter in the future as a reverse osmosis plant will be built

there.

Under staff report, ambulance director Les Harris reported that someone had gained access to the building North of the city hall and gas was stolen out of the ambulance. Harris said, "all volunteer fireman had keys to the building but wasn't sure who got the gas." It was noted that new locks may be installed.

Town Superintendent, Robert Gable reported that city employees had restricted main street last week and also been installing new street signs in West Granite.

IMPORTANT NOTICE

If you have had previous military service, bring your service records with you. If you wear glasses, bring them with you.

This Local Board will furnish transportation to the induction station where you will be examined, and, if accepted for service, you will then be inducted into a branch of the Armed Forces. If you are not accepted, return transportation will be provided.

Persons reporting to the induction station in some instances are found to have developed disqualifying defects since being examined and may be rejected for these or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station. If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted at the induction station. Your employer can then be prepared to replace you if you are accepted, or to continue your employment if you are rejected.

Willful failure to report promptly to this Local Board at the place specified above and at the hour and on the day named in this Order is a violation of the Universal Military Training and Service Act, as amended, and subjects the violator to fine and imprisonment. You must keep this form and bring it with you when you report to the Local Board. Bring with you sufficient clothing for 3 days.

If you are so far removed from your own Local Board that reporting in compliance with this Order will be a serious hardship and you desire to report to a Local Board in the area in which you are now located, go immediately to that Local Board and make written request for transfer of your delivery for induction, taking this Order with you.

INFORMATION FOR REGISTRANTS BEING FORWARDED

- c. If you have a pair of low-cut, plain toe brown shoes, wear them. You will find them useful in off-duty hours.
- d. One pair of underwear and sox.

Large quantities of toilet articles are not necessary as they may be purchased at the Post Exchange.

3. You will not need money, except to purchase whatever personal items you may require, such as stationery, stamps, cigarettes, candy, etc. Admission to Department of the Army theatres is 24 cents.

Stuck:

Congratulations on your recent marriage.

Kept thinking I would get around to sending a card, but I haven't. I thought maybe you or Ruth would need an extra picture. If so here it is.

You had such a good year last season that I know with Ruth to help you now you will be hard to beat this coming season. Keep up the good work.

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
For thou art with me; thy rod and
thy staff they comfort me.
Thou prepar'est a table before me in the
presence of mine enemies:
thou anointest my head with oil:
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever.

PATHS OF RIGHTEOUSNESS FOR HIS NAME'S SAKE.

of the Life

In The Garden

1. I come to the garden alone,
While the dew is still on the roses;
And the voice I hear, falling on my ear,
The Son of God discloses.

Refrain

And he walks with me, and he talks with me,
And he tells me I am his own,
And the joy we share as we tarry there,
None other has ever known.

2. He speaks, and the sound of his voice
Is so sweet the birds hush their singing;
And the melody that he gave to me
Within my heart is ringing. *Refrain*

3. I'd stay in the garden with him
Tho the night around me be falling;
But he bids me go; thro' the voice of woe,
His voice to me is calling. *Refrain*

PSNS COMMANDER, 'BIG E' CO WILL WEAR TWO STARS

Puget Sound Naval Shipyard commander, CAPT **James K. Nunneley**, and CAPT **James W. Austin**, CO of the nuclear carrier **USS Enterprise** (CVN 65), have been selected to become Rear Admirals.

The Secretary of the Navy announced last Friday that Captain Nunneley and Captain Austin are among 36 approved by the President for promotion to flag rank. The effective date of the promo-

tions was not immediately announced.

Captain Nunneley came here in June of 1976 from his billet as Planning Officer at the Norfolk Naval Shipyard to relieve RADM **F. F. Maganaro** as commander of the Puget Sound Naval Shipyard.

Born in Tulsa, Okla., Captain Nunneley finished high school in his home town and entered the U.S. Naval Academy in 1948, graduating in 1952.

Captain Nunneley later attended the Massachusetts Institute of Technology and graduated in 1957 with a Naval Engineers degree and a master's degree in naval architecture and marine engineering.

His sea duty was spent as the repair officer and the engineering officer aboard the **USS Taconic** and **USS Northampton** and he later was on the staff of Commander, Cruiser Destroyer Force, Atlantic Fleet. He also has served at the Naval Ship Engineering Center and was the design manager for the **USS Virginia** (DLGN 38).

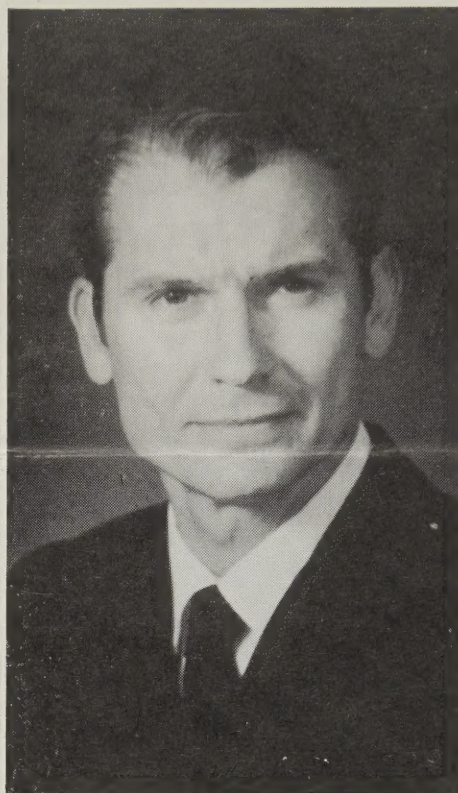

Before going to Norfolk Naval Shipyard as the repair officer, he was the executive assistant to the Commander, Naval Ship Systems Command. His later duty at Norfolk brought him to the Planning Officer's billet.

Captain Austin was born in Fort Worth, Texas, and graduated with the Naval Academy class of 1954. He immediately reported to Pensacola, Fla., for flight training and served as a fighter pilot aboard the **USS Shangri La**, **USS Independence** and **USS John F. Kennedy**.

In 1962 he earned a bachelor's degree in aeronautical engineering from the Naval Postgraduate School, Monterey, Calif., and attended the University of Michigan in 1963 to earn his master's degree in aeronautical engineering.

After completing command and staff school at the Naval War College in 1969, Captain Austin served as the executive officer and commanding officer for Fighter Squadron 14, including service aboard the **Enterprise**.

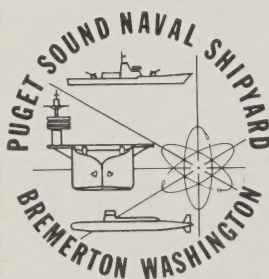

Before taking command of the **Enterprise** in 1976, Captain Austin served as the skipper of the fast cargo support ship **USS San Jose**.

SECRETARY CLAYTOR ON 'STATE OF THE NAVY'

SecNav Cites Resourcefulness, Initiative --Warns About Alarming Retention Rate

Of the several advantages the Navy has over potential enemies, "The foremost . . . is the resourcefulness, motivation, and initiative of our people," Secretary of the Navy **W. Graham Claytor, Jr.**, told the Senate Armed Services Committee.

Secretary Claytor testified last week on the FY 1980 budget and the posture of the U.S. Navy in the coming fiscal year.

"My greatest reward since coming to the Pentagon has been my association with the sailors and marines, enlisted and officer, and the civilian personnel who make up the Department of the Navy," he told Senate committee members. "I wish everyone in this nation could see them as I have, and so, fully share my pride and enthusiasm."

He said, however, that first term attrition rates and inadequate career retention pose "a serious threat to Fleet readiness unless present and projected shortages of experienced petty officers can be alleviated."

It is inappropriate, Secretary Claytor said, to talk of simply pay comparability with the civilian

tional, technical and managerial competence of the Naval service." He urged prompt and sustained action to increase the percentage of officers who have a graduate education.

Discussing his support of the President's budget for the Navy, the Secretary said, "Not only our economy but also our whole freedom depends on our ability now and in the future to maintain our

superiority at sea. Our Naval capability is our insurance against loss of this critical position. As a lot of people have found out to their sorrow, the very last thing we can afford to cancel is our insurance policy against disasters. Accordingly, we should plainly not cut our insurance any further this year and should strive to find ways to increase our protection in the difficult years ahead."

Quality of Navy Life Must Be 'Good, Improving' Reports CNO

While optimistic about the present state of the Navy, Chief of Naval Operations **Thomas B. Hayward** told the House Armed Services Committee last week that the growing Soviet fleet is a serious concern.

"In the past 15 years, the Soviet navy has steadily grown from a coastal defense force into a blue water navy powerful enough to challenge the U.S. Navy in most major ocean areas of the world," the CNO said. "These im-

and increased training costs," the CNO stated.

He listed a number of factors which affect retention including lengthy and repetitive overseas deployments, the arduous demands of sea duty and the need for a genuine sense of job satisfaction.

"Our people must feel that the quality of their life in the Navy is good — and improving — and that they are being properly remunerated in both pay and benefits for their efforts and sacrifices."

In terms of combatant capabilities, CNO said the U.S. Navy today is in good shape and getting better.

"It has the flexible, balanced, global capability required to meet current commitments, though its force levels are not adequate to meet those commitments without significant stress on Fleet personnel induced by lengthy deployments and heavy work schedules," Admiral Hayward said.

High Point Offering Souvenirs for Sale

Zippo lighters and Frisbees with the impression of the USS **High Point (PCH 1)** on them are being offered for sale to Navy and civilian personnel, according to the High Point Recreation Committee. The committee has approximately one hundred of the Zippo lighters and eighty Frisbees for sale. The lighters are priced at \$5, while the Frisbees sell for \$1. Interested buyers should call 478-4172 or 3033.

Suggestions Earn Cash For Ideas

The Government reaped over \$46,000 in savings during the month of January from cost reduction ideas put forth by Shipyard employees, according to Incentive Awards Program Administrator **John Grimm**. In return for these savings, Grimm added, suggestors were paid \$3,395 in total awards for their cost reduction efforts.

The top slot among suggestors went to Shop 31 Machinist **Thomas J. Meyers** whose flange facer cut

Mr. and Mrs. R. D. Nunneley

Dear Mary and Dick:

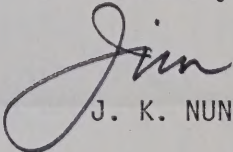

Thank you for your thoughtful congratulatory letter on the occasion of my recent selection.

My dream plan called for selection this year and staying another year in Bremerton as an Admiral. It would have been great, but it looks like I will be transferred back to D.C. this summer instead of next. Seems as though there always has to be some rain with the sunshine. The one advantage to moving back East is that we will be so much nearer to the girls. But even they were pulling for us to get another year in the Northwest.

If plans unfold as they look now, we will probably make the trip back in late June. Stacey will probably be with us this time, with Kathy and Ann both in school. Maybe we will be able to spend some time with you if we aren't forced to race the moving truck back to Fairfax.

I am enclosing for the Nunneley archives clippings from the Bremerton paper and my Shipyard weekly. It was pretty exciting around here for those first few days. As a matter of fact, it still is.

Sincerely,

J. K. NUNNELEY

Enclosures

The US does not simply need good political intelligence; it needs good political information.

- "Fusion" is also desperately needed at the country level. Intelligence, State Department personnel, AID officials, US military commands, and military advisory teams must feed Washington, and be fed by it, through a common system. Today's farce of "country teams" must be made into a truly effective system which is not sabotaged by abuse of special reporting chains like "LIMDIS" and "EXDIS"—or hamstrung because an ambassador may insist on unity of view. Dissenting politico-military opinions need to get to Washington.

- "HUMINT" must be revitalized and given new importance. Far too little of the modern world can be understood from PHOTINT or SIGINT. A major reprogramming of intelligence resources may be necessary to provide adequate coverage of our Allies and the Third World.

- Some say the operations side of intelligence needs to be decoupled from HUMINT. It may even need an operations executive who is physically and bureaucratically decoupled from the CIA. This would (a) free the Agency of the "stigma" of operations, (b) half the destructive tendency to orient HUMINT solely towards the USS and Bloc, and (c) provide a basis for blending the CIA HUMINT effort, the Attache system, and Embassy staffs into a true country information team. It would also provide a basis for greatly improved analytic professionalism by allowing regular rotation of CIA and DIA analysts to HUMINT collection in the countries upon which they are supposed to be expert.

But what is needed most is management and direction of Intelligence Community priorities. Agencies should satisfy requirements lered upon them, or get their assets reduced if they can't do the job. In this respect, above all, the Intelligence Community's Human Resources Committee has been a force.

- Defense intelligence needs a zero-based reiew by an outside body, focused on improving its management and capabilities rather than maximizing expenditures on new machines and technology.

- The dying effort to tie intelligence to measuring the balance through net assessment should be revitalized and made part of the NSC staff. Serious consideration should be given to revitalizing the old Board of Estimates concept, but giving it a net assessment focus with stronger representation from outside the Intelligence Community.

Above all, the Administration must make a new beginning by emphasizing the untainted quality of the product, preserving its objectivity, and on providing the human resources the Intelligence Community needs. All three are lacking under Stansfield Turner, and American intelligence is slowly dying because of it.

Darts & Laurels

To *Aviation Week and Air Force* magazines, and to Fairchild Industries' A-10

newsletter, *Thunderbolt II*, all of which have printed—without any credit—photos of the A-10 taken by publisher David B. Lindsay, the designer and developer of its would-be competitor, the "Enforcer" aircraft. (*AFJ* used three of Lindsay's photos from the Army/Air Force JAWS tests at Ft. Hunter Liggett in our January, 1978 issue, but gave him proper credit.) Lindsay has graciously provided the photos to every magazine concerned without even asking an honorarium. The latest transgression: *Air Force* in its January issue used his photos with no credit line for the second time. We've long respected those who cared enough to steal the very best—but also believe readers deserve to know where one gets all this good stuff.

To Senior Airman Cheryl Heath and Sgt. E. A. Shackelford of USAF's

93rd Aerial Port Squadron, for saving the day when Defense Secretary Harold Brown returned from the Mideast to an Andrews AFB rendered virtually inoperative by two feet of snow drifting to four. Had it not been for their initiative, hard work, and cheerful "Let's not surrender yet" attitude, the frozen bodies of some 20 members of Brown's party and a truck load of highly classified footlockers, dispatch bags, and brief cases might still be littering the landscape from Andrews to the Pentagon. Then, after a 12-hour wrestling match with snow, cold and traffic, Heath and Shackelford drove the otherwise marooned gaggle of generals, deputy assistant moguls, GS-18s, and caustic journalists to their homes or nearby motels—at a time when Washington busses, taxis, Metro, and private autos were totally immobilized.

To *Time* magazine, for its February 5 obituary of Nelson A. Rockefeller. It was headlined, "The Champ Who Never Made It." Since when is becoming Governor of New York and Vice President of the United States "not making it?"

To USAF and Fairchild Republic—for taking over six weeks to get out a press release announcing that Capt. Alton C. Whitley of the 433rd Ftr Wpns Sqdn had become the first A-10 pilot to rack up 1,000 hours in the airplane.

PSNS Commander, Big E Skipper Earn Promotion To Rear Admiral

Capt. James Nunneley

Puget-Sound Naval Shipyard commander, Capt. James K. Nunneley, and Capt. James W. Austin, commanding officer of the USS Enterprise, have been selected to be rear admirals.

The secretary of the Navy announced today that the men are among 36 approved by the president for promotion to rear admiral. The effective date of the promotion will be known later, according to PSNS spokesman Lt. Pete Harrell.

Nunneley, 49, has served as shipyard commander since June 1976.

Born May 24, 1929, in Tulsa, Okla., he graduated from high school there. He entered the U.S. Naval Academy at Annapolis, Md., in 1948, graduating in 1952.

Nunneley graduated from the Massachusetts Institute of Technology in 1957 with the professional degree of naval engineer and a master's degree in naval architecture and marine engineering.

He has served on the USS Taconic and USS Northampton, was on the command staff of the Atlantic Fleet, served as ship design master for the USS Virginia, as executive assistant to the commander of the Naval Ship Systems Command, and as repair officer and planning officer at

Norfolk Naval Shipyard.

Nunneley and his wife, Kathryn, have three daughters.

Austin, 46, born in Fort Worth, Texas, in 1932, graduated from the Naval Academy in 1954. Afterward, he reported to Pensacola, Fla., for flight training.

He served as a fighter pilot aboard the USS Shangri-La, USS Independence and USS John F. Kennedy.

Austin earned a bachelor's degree in aeronautical engineering from the Naval Postgraduate School in 1962 and a master's degree in aeronautical engineering from the University of Michigan in 1963.

After completing command and staff school at the Naval War College in 1969, Austin served as executive officer and commanding officer for Fighter Squadron 14, including service aboard the USS Enterprise.

Recently he commanded the fast cargo support ship USS San Jose. He has been commanding officer of the nuclear carrier USS Enterprise — which arrived at PSNS for overhaul last month — since December 1976.

Austin's wife, Elizabeth, and their two children live in the San Francisco Bay area.

Tulsa naval officer to become rear admiral

A Tulsan has been selected for promotion to rear admiral by the U.S. Navy, it was announced today. Capt. James K. Nunneley — the son of the late Mr. and Mrs. V.W. Nunneley — was recommended for the promotion. He is commander of the Puget Sound Naval Shipyard at Bremerton, Wash.

Nunneley, a graduate of Will Rogers High School, was one the top academically ranked students in the 1952 class at the U.S. Naval Academy.

To Thank You

Dear Dick & Mary -

What a blessing you were last week to all of Rose's family. It was so good to see you and appreciated so much your coming in for the funeral. The red agalis plant was so beautiful and brought so much comfort to us all.

We had such a nice letter from Jim and Jerry & Nancy sent beautiful flowers. It's such a shame we're all so scattered. We need to keep in touch. It was sad to have Zula. As Fred said, "another chapter closed in Kunneley history".

Come to see us. We'd love it!

Your kind expression of sympathy and friendship

will always remain in our memories

Thank you for your thoughtfulness

Love,

Betty Lou, Fred, Ken & Jack

*The Lord is my shepherd, I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake . . .
Yea, though I walk through the valley of
the shadow of death, I will fear no evil:
for thou art with me; thy rod and thy staff
they comfort me. Thou preparest a table
before me in the presence of mine enemies:
thou anointest my head with oil; my cup
runneth over . . . Surely goodness and
mercy shall follow me all the days
of my life: and I will dwell in the

MUTUAL AID UNION, ROGERS, ARKANSAS:

DEATHS, 1914

by

JAMES LOGAN MORGAN

The Mutual Aid Union was established in 1907 at Rogers, Benton County, Arkansas. While it was not an insurance company, the "union" paid beneficiaries named on membership certificates upon the death of the member. The union was composed of "circles." Each circle had 1000 members, each of whom paid membership assessments based on his or her age. Upon the death of a member of a circle, the appropriate death benefit would be paid to the beneficiary, and the remaining members would be assessed an amount to make up the loss on the amount paid to the beneficiary. When a person became a member of the circle, his death benefit was \$75.00 until he had been a member for six months; thereafter, the benefit increased \$12.50 per month until it reached the maximum benefit of \$1000.00. The Mutual Aid Union was an all-white association.

I have a copy of the report of the Mutual Aid Union for 1914, which was probably published early in 1915. The report is a small booklet printed by the Co-Operative Press of Rogers. The front cover has the title, MUTUAL AID UNION, ROGERS, ARKANSAS: OF THE PEOPLE, FOR THE PEOPLE, BY THE PEOPLE, along with an engraving of the Mutual Aid Union building in Rogers. The booklet was copyrighted in 1912 by R. H. Whitlow, who was secretary of the union. Apparently the 1912 date refers to the first edition of the booklet, which features the "Plan of the Mutual Aid Union: The Safest and Sanest Proposition in Existence," explaining the mechanics of the union. Following the "Plan" are testimonial letters. Some of the letters were written in 1914, but many were written earlier--few are dated. After the letters, there is a list of circles, with statistical information on death claims paid from 1907 to 1913. The booklet ends with a "List of Claims Paid" for 1914, each entry containing the name of the deceased member, his or her address, the certificate and circle numbers, cost to the deceased member and the amount paid to the beneficiary.

I have alphabetized the list of deaths. If the address was anything other than an Arkansas post office, I have noted the state. I have included the circle numbers (at the end of each entry, in parentheses) as references to enable me to locate the entries, which are listed by circle. There were 39 circles in 1914 (up from 24 in 1913), but the circles were administrative units and had no other significance. A person could not hold more than one certificate in a circle, but he could be a member of two or more circles.--James Logan Morgan, 314 Vine St., Newport, Arkansas 72112.

LaVerna was born on September 18, 1918 in Locust Grove to Charley and Bessie (Foreman) Rush. She passed away on Sunday, September 23, 2012 in Tulsa at the age of 94.

LaVerna grew up and attended school in Locust Grove; she came from a large family of seven girls and 2 boys. She and Omer Raymond Nunley began writing each other in 1935 while he was in the Marines. Eventually after many letters and occasional visits, Omer sent a one way bus ticket to California to visit him. She arrived in Long Beach on March 31, 1936 and the next day, April 1, 1936; they drove to Yuma, Arizona and were married at midnight on April 2, 1936 by a local minister. She returned to Locust Grove a month later and lived with her mother. She went back to California 3 more times for visits before he was discharged from the Marines in September of 1937 after 10 years of service. They returned to Oklahoma where they made their home in Locust Grove. They later moved to Tulsa for a few years but returned back to Salina then to Locust Grove. They owned a café in Salina in 1940, where Omer did the cooking and LaVerna waited on the tables. They later owned and operated Thomas Café and Motel and Nunley Sundries in Locust Grove from the late 1940's until 1971. After selling their business, Omer went to work in Tulsa for Wilcox Oil Company. LaVerna was always a hard working woman, helping Omer in their business ventures as well as being a homemaker and mother to their six children. LaVerna loved spending time with her kids and grandkids; God and her

family were the most important things in her life.

LaVerna and Omer were longtime members of Cumberland Presbyterian Church in Locust Grove where they showed their children the importance of God in their lives. They were great Christian examples who taught their kids the importance of faith in their everyday lives; they were later very active in starting the Open Door Bible Church in Locust Grove and she helped at the Locust Grove Freewill Baptist Church in their children's ministry with Marguerite Kern.

LaVerna was a wonderful wife, mother and friend; selfless and compassionate at all times.

She is survived by 5 children: Verna Dee Butler and husband Glen of Overland Park,KS, Buddy Nunley and wife Thelma of Pryor, Sue Billingslea of Overland Park,KS, Rodney Nunley and wife Brenda of Locust Grove and Dan Nunley and wife Kerry of Tulsa; 25 Grandchildren, 46 Great Grandchildren and 1 Great Great Grandson and 1 sister Betty Ditmore of Sedan,KS and many nieces, nephews and other extended family members.

She was preceded in death by her parents, her husband, 1 son Mike Nunley, 1 grandson Terren Billingslea, 1 granddaughter Glenda Butler-Clark, 6 sisters and 2 brothers.

Dear Mary,

I am sorry to be so late in sending you this material. We were gone almost the month of May -- we were in England, Germany, Austria and Italy. It seemed to take us longer than usual to get back to normal.

I certainly do appreciate the material you sent and have copies for Helen Marie and our two sons. (They both were very interested). I realize I did not fill out a family sheet for Daddy and Mother (I used the sheets for Helen Marie's children and ours.) I did, however, fill in the missing blanks on Daddy's family group sheet and here is the data you can insert on your copy:

COELLA EDEN NUNNELEY:

Birth 13 March, 1896 Monett, Barry County, Mo.
Death 25 Sept, 1981

HELEN MARIE NUNNELEY:

Birth 17 Sept, 1919 Monett, Lawrence, Mo.
Married 16 Oct, 1938 " Barry Mo.

MARY MARGARET NUNNELEY:

Birth 5 June, 1922 Monett, Lawrence Mo.
Married 11 April, 1943 " Barry Mo.

Annabelle Malinda Nunneley:

Death 23 Dec., 1936

We plan to go to Missouri October first to attend Herb's class reunion. We'll see if it is possible to see you at that time.

Thanks again.

Sincerely

Mary Margaret

Tues Aug. 17

Dear Mary,

Thanks so much for your letter
and for returning my check altho I
still insist on some compensation
for all your hard work.

Perhaps I can help a little with your
search for Lawson and Mabel. There is
a very old letter in L.H.'s writing (I believe
^{written Dec 25 1906})
saying that he had gone to New Mexico and
filled on land near Endee, and built a house
and moved the family in 1907 (now he must have
gone out there in 1906 - I'll try to copy the letter)
Anyway he went back & forth from there to OK.
for several years. Address was Roy, N. Mex I
think. But they lived in Beckham County OK
and my mother went to school at Elk City in
the early 20's. Mother & Dad were married
in 1925 in Beckham Co. and they ^{lived there} lived there
when Mabel died in 1931. Also Mabel still had
at least 2 boys when they lived in N. Mex.
(Charles & John Lowery). Happy Hunting!!

P.S. other letter is to Mother
from her brother John D.
in 1962

Dear Mary.

We received the package of information^(rumor) and I am just overwhelmed! I didn't expect anything nearly so nice. I have greatly enjoyed just reading it and studying the information about our ancestors. The letter from Mabrda to L.D. made me feel so sad - it must have been so terrible for her. The only reference I ever heard about his life with her was that she refused to have Ark + come to OK with him. Anyway I loved him dearly and he lived with us for several years before he died. I also know there are those descendants of his first wife who are still bitter toward him and us. I only remember seeing Uncle Elbert one time - when they came for Grandpa's funeral. Dock and Ellis visited us and I believe mother heard from Liza occasionally, perhaps Lula. My mother was such a sweet and kind person, and Jim told, so was her mother. But I can barely remember Mabel. She died when I was 3 yrs. old. (She gave me Black Jack ^{Jimmie} chewing gum.) Anyway the book is a treasure and I am so pleased to have it. I know you spent many hours working on it,

P.S. Am sending the picture back. I had a negative made and so we have copies. I'm sure the picture was special to mother, since it was in her photo book in her purse. It looks as if there was someone else in the picture but it was cut off to fit the photo sleeve.

Saying "thanks" so much!
and thinking, too,
How very nice
it was of you! //

Love,
Wilma

Please keep in touch! -
(Not to mention the time and expense involved in gathering all the information. I insist you take this check and please let me know if you would like more. I'm sure I don't have sufficient funds to pay for all your trouble but I am so grateful to have you share it with me + mine!

FORGET ME NOT
